DESIGN

THE INDOOR FACILITY OF YOUR DREAMS

GEORGIA OCTANE
CUMMING, GA

"I am absolutely, 100% satisfied with my indoor facility. On Deck Sports walked me through the entire process from planning to design ideas and installation. They were tremendous to work with. During the building process, On Deck Sports came early and stayed late to get the job done. They absolutely over-delivered on our project and when I am ready to build again, I will be using On Deck Sports!"

Travis Bailey, Owner - Georgia Octane - Cumming, GA

OVER 15 YEARS OF EXPERIENCE WITH OVER A THOUSAND FACILITIES OF ALL SHAPES AND SIZES

CUSTOM SOLUTIONS FOR EVERY PROJECT FROM DESIGN EXPERTS WHO WORK, TRAIN AND COACH IN THESE FACILITIES

ONE-STOP SHOPPING: TURF, NETTING, RUBBER FLOORING, PADDING, DIVIDER CURTAINS AND TRAINING EQUIPMENT

DIRECTLY-SOURCED PRODUCT OF THE HIGHEST QUALITY, CHOSEN SPECIFICALLY FOR YOUR DESIRED USE

DEDICATED PROJECT MANAGEMENT WITH PROFESSIONAL INSTALLATION CREWS ACROSS THE COUNTRY

PROJECT MANAGEMENT & INSTALLATION

You will be assigned a dedicated project manager who will work with you. We will work with all other parties involved in your project such as contractors, architects and local officials. We will coordinate with them during the process to ensure everything stays on schedule.

Our proven installation techniques are often imitated, but never matched. No detail is too small and our professional installation crews execute on plans endorsed by structural engineers. We take the time to ensure that all variables are considered and the safety of your athletes and staff is our top concern.

EXPERIENCE, DESIGN EXPERTISE AND CUSTOM SOLUTIONS

Since 2001, we have worked with over 1,200 indoor sports facilities, taking their ideas from concept all the way to completion. Our indoor facility experts work and train in similar facilities and will share their expertise to optimize your space for safety, function and profitability.

- We offer a wide range of design suggestions for facilities of all sizes.
- We take the time to develop a custom plan that works for you.
- We will produce drawings and renderings to help visualize your facility prior to construction.

HERE'S WHAT SOME OF OUR CUSTOMERS HAVE TO SAY

"The project team with On Deck Sports were available throughout the entire installation process. These guys came in on a Sunday night, after being away from home for several weeks. They knocked it out in a hurry, and made me feel relieved about choosing On Deck Sports."

Mike Branch, Owner - Teddy Ballgames - South Bend, IN

"We are very proud of the facility we created with the help of On Deck Sports, and it is a very popular place for the players in our area. We have many comments we could offer - most importantly that we could not have even dreamed of the end product without the design and installation services of On Deck Sports."

Nicole Bankovich, Owner - The Baseball Bank - DuBois, PA

"Working with On Deck Sports was great. I continue to order stuff from them. Also, your two installers are phenomenal. They made the install to my liking without me even needing to get involved. They're class guys who wanted world-class results and were really great to work with. Like many things, it's the installers that matter. Your guys really care and I wouldn't ever do this again without working with your guys."

John Adams, Owner - Batter Up CT - Guilford, CT

"Top of the line service and equipment. On Deck has been around for a long time and has the experience and expertise needed to assemble a premier facility. I would give On Deck my highest recommendation. From placing the order to installing the equipment it was a great experience."

Frank Velasquez, Director of Sports Performance - Allegheny Health Network, Pittsburgh, PA

BEST IN CLASS PRODUCTS

We will outfit your facility with the highest quality netting and artificial turf on the market. Our products go through rigorous testing and quality control to ensure they hold up to the day-to-day stresses of a high-traffic indoor sports facility. We use only industrial-grade hardware in all of our installations and cut no corners with product quality. We also offer a wide range of custom options, such as placing your logo in turf or on rubber flooring, padding or windscreen. Our facility experts will work with you to select the best specifications to fit your uses, needs and budget.

And, once you open, our training aids, pitching machines, protective screens and team equipment will ensure a state-of-the-art experience for your athletes. We offer only the best products and brands in each category.

WE STAND BY OUR WORK

Perfection is our goal, but if for any reason you are unsatisfied with our work or any of our products, we will make it right. On Deck Sports has been in business since 2001 because of our reputation for quality work and customer satisfaction. We understand the enormity of your project and will be your partner in every aspect.

Put your trust in a partner who has worked with over a thousand other customers just like you.

ARTIFICIAL TURF FOR SPORTS FACILITIES

12' GT34 Padded Artificial Turf

GT34 is our most popular turf option for indoor facilities. The polyethylene yarn provides the softest feel while still holding up to heavy traffic. A 5mm foam pad allows the turf to react more like real grass than unpadded turf options, making GT34 extremely popular for any sports facility.

Face Weight: 34 oz.
Pile Height: 1/2"
Yarn Type: Polyethylene
Backing: 5 mm Foam Backing
Width: 12' Wide

NTWFGT34 - \$2.49/sq. ft.

12' Stadium Padded Artificial Turf

Stadium is a nylon turf product, making it one of the most durable options on the market. This allows Stadium to hold up in extremely high-traffic areas with little wear. A 5mm foam pad provides a cushion over your floor that makes this turf ideal for strength & conditioning areas in any facility.

Face Weight: 30 oz.
Pile Height: 1/2"
Yarn Type: Nylon
Backing: 5 mm Foam Backing
Width: 12' Wide

NTOV1Stadium-5mm-12 - \$2.79/sq. ft.

15' GT48 Padded Artificial Turf

With 48 ounces of yam per square yard, GT 48 is a plusher version of its close relative GT34. The polyethylene yam and 5mm foam pad provide a soft feel both under foot and with skin contact. Available in multiple colors, GT48 is a great option for anyone looking to add a custom look to their indoor facility.

Face Weight: 48 oz.
Pile Height: 3/4"
Yarn Type: Polyethylene
Backing: 5 mm Foam Backing
Width: 15' Wide

NTWFGT48 - \$3.19/sq. ft.
Colors - \$3.49/sq. ft.

15' Elite Padded Artificial Turf

Elite is our premium turf option and the ideal substitute for natural grass. It combines polypropylene and nylon yarns, giving it durability with a soft touch. Elite lives up to its name, providing a natural look and feel that your athletes will love. Perfect for full indoor fields, without the need for infill.

Face Weight: 58 oz.
Pile Height: 1"
Yarn Type: Polypropylene with nylon thatch
Backing: 5 mm Foam Backing
Width: 15' Wide

NTWFEElite - \$4.29/sq. ft.
Colors - \$4.39/sq. ft.

12' Arena Padded Artificial Turf

Arena is one of our premium turf products, combining polypropylene and nylon yarns. It is soft to the touch, but durable enough to deal with high-traffic areas. This added strength makes Arena a great option for full field areas in your facility, but eliminates the need for messy infill products.

Face Weight: 40 oz.
Pile Height: 3/4"
Yarn Type: Polypropylene with Nylon Thatch
Backing: 5 mm Foam Backing
Width: 12' Wide

NTWFArena - \$3.89/sq. ft.
Colors - \$4.59/sq. ft.

FACILITY NETTING

After years of providing netting solutions, On Deck Sports understands that every athletic facility or field has a unique design and set of dimensions. Whether you speak with one of our netting specialists, or use our interactive custom netting calculator online, we will provide the ideal netting solution for your particular needs.

WHAT MAKES OUR NETTING DIFFERENT?

- All of our netting is hung on the square, not the diamond. Looks better and hangs easier for a smoother install.
- Breaking strength of our netting is the strongest in the industry.
- Our inside-out technology helps maintain the breaking strength of our net throughout its life.

ON DECK SPORTS UV PROTECTION

Black color represents UV protection

COMPETITORS' DIPPED & DYED UV PROTECTION

INSIDE-OUT TECHNOLOGY

During the fabrication process, netting is protected with UV inhibitors and dyed a certain color. During our process, we coat and dye each individual strand of netting, therefore protecting the net from the inside out. This helps maintain its initial breaking strength. Most companies fabricate netting and then dip and dye—only protecting the outside of the net. Once the coating on the outside of the netting is broken down, the netting rapidly loses breaking strength and integrity.

RETRACTED NETS

CAGE SETUP

Shell Cage

The shell cage is a ceiling-to-floor netting solution used to protect your facility and maximize your space. The net provides a protective barrier between the playing area and your ceiling, walls, windows, light fixtures, players and spectators. The shell can help you expand to a multi-sport facility. Whether you want to build batting cages or divide playing fields, the shell cage allows you to do both. We install custom netting using a grid cabling system that attaches to the net and a grid rope to minimize the wear and tear on the nets. Our netting systems are custom developed and calculated for your building.

Retractable Divider Netting

Underneath the shell cage you can install retractable divider netting. Our retractable netting panels divide your indoor turf field into batting cages or can create separate fields for multiple teams.

Windscreen Barriers

Windscreen Barriers attach to the ceiling cables to fill the gap between the ceiling shell cage netting and the divider nets. This prevents balls from jumping from one cage to the next in the space between your ceiling netting and retractable divider curtain. This gives an added layer of safety for your players and coaches. The windscreen barriers also hide your hardware to give your netting a clean look.

CONVENIENT CARRYING CASE FOR PITCHING MAT WITH POWERLINE AND PITCHING LANE PRO

ProMounds Batting Cage Kit

The perfect batting cage for backyards, youth leagues, high schools and colleges. Netting available as either premium nylon or standard poly material. The premium nylon batting cages come with a lead core perimeter rope, a flap door (3' overlap), and a 12' x 14' backdrop. The lead core perimeter rope helps to weigh down the bottom of the cage, helping to keep it in place upon impact. ProMounds batting cage frames are constructed with 12-gauge piping. Vinyl Backdrop

The 40oz., 5'W x 6'H vinyl backdrop is perfect for any indoor or outdoor batting cage. The backdrop protects your batting cage nets, walls or anything behind the batting cage. Comes standard with a sewn-in strike zone target.
SN6014 - \$89.99

Black Vinyl Backdrop

Perfect for any indoor or outdoor batting cage. Protects your batting cage net, walls, or anything behind the batting cage. 5'W x 6'H, 40oz vinyl.
SN8005 - \$75.99

Mastodon Batting Cage

The batting cage frame system includes 8.625" OD steel pipes coated with the same finish used on the Trans-Alaska Pipeline. There are fewer components and it spans up to 85' in either direction, without significant sag. Poles come ready to attach tensioning hardware. Comes with premium #36 nylon netting, the most durable material on the market. Kit includes: steel poles, 3/16" galvanized aircraft cable (enough for a 14' x 85' footprint), cage netting and galvanized steel carabiners. A cable tensioning system ensures that your net will hang properly and needs no special tools. Poles are corrosion resistant. 20 year manufacturer's warranty on frame.

Custom	\$1.69/sq. ft.

GT48 15' Unpadded Artificial Turf

With 48 ounces of yarn per square yard, GT 48 is a plusher version of its close relative GT34. Available in multiple colors, GT48 is a great option for anyone looking to add a custom look to their indoor facility.

Face Weight: 48 oz.
Pile Height: 3/4"
Yarn Type: Polyethylene
Backing: 5 mm Foam Backing
Width: 15' Wide

NTNFGT48 - \$2.15/sq. ft.
NTNFGT48-Colors - \$2.29/sq. ft.

12' GT34 Padded Artificial Turf

GT34 is our most popular turf option for indoor facilities. The polyethylene yarn provides the softest feel while still holding up to heavy traffic. A 5mm foam pad allows the turf to react more like real grass than unpadded turf options, making GT34 extremely popular for any sports facility.

Face Weight: 34 oz.
Pile Height: 1/2"
Yarn Type: Polyethylene
Backing: 5 mm Foam Backing
Width: 12' Wide

12' x 35'	\$1,299.00
12' x 55'	\$1,799.00
12' x 70'	\$2,199.00
Custom	\$2.39/sq. ft.

15' Stadium Padded Artificial Turf

Stadium is a nylon turf product, making it one of the most durable options on the market. This allows Stadium to hold up in extremely high-traffic areas with little wear. A 5mm foam pad provides a cushion over your floor that makes this turf ideal for strength & conditioning areas in any facility.

Face Weight: 30 oz.
Pile Height: 1/2"
Yarn Type: Nylon
Backing: 5 mm Foam Backing
Width: 15' Wide

15' x 35'	\$1,499.00
15' x 55'	\$2,199.00
15' x 70'	\$2,699.00
Custom	\$2.79/sq. ft.

Permanent, retractable, or removable,

we have solutions for any budget

Gym floor covering available

Ceiling Retractable Batting Cage

The Ceiling Retractable Batting Cages are the premium option. These operate using a key that powers a winch to raise and lower the cages. These cages can custom retract to mirror the angle of the roof of your building or can hang flat. These are the perfect solution for any multi-purpose area, after retracting these cages there is nothing left on the ground.

Static Batting Cage

Static Batting Cages are cages with permanent attachment points but the netting of the cage can be taken down for multi-purpose areas such as a high school gym. These cages are great for schools on a budget.

Sliding Indoor Batting Cage

There are two types of sliding indoor batting cages a cable system and a track system. These cages have permanent fixtures that allow you to slide the nets to one end of the cage setup to move it out of the way for other activities in a multiple purpose facility. These cages are great if you have a lane to setup your batting cage.

Nylon Batting Cage Nets

To make sure your batting cage nets are safe and secure, our netting is made of durable #36, 1-3/4" UV treated knotted square mesh and able to withstand heavy use and nearly any weather condition this netting is ideal for all levels of play including college, high school, and youth.

FIELD COVERS

FIELD COVERS

(A) Trapezoid Infield Covers

For turf protection during batting practice. When your players aren't playing, they're practicing. And that can damage your field. Heavy-duty mesh covers protect your natural turf in front of the batting cage and other high-wear areas.

	STANDARD MESH		PREMIUM MESH	
25'D x 20'Wa x 70'Wb	FC7081	\$688.99	FC7086	\$845.99
20'D x 24'Wa x 64'Wb	FC7082	\$552.99	FC7087	\$659.99
20'D x 20'Wa x 60'Wb	FC7083	\$499.99	FC7088	\$599.99
15'D x 26'Wa x 56'Wb	FC7084	\$444.99	FC7089	\$525.99
15'D x 20'Wa x 50'Wb	FC7085	\$391.99	FC7090	\$483.99

(B) Bunt Zone Infield Protector/Trainer

Trainer saves turf and teaches by visualization. YELLOWS are bunt-for-a-hit target zones. GREENS are the sacrifice bunt target areas. RED is the bad bunt zone. Also teaches the area to avoid in hit-and-run or pull-hitting situations. A way to better protect the field, while also providing your team with a hitting and bunting trainer. The color patches are fusion-welded together to enable you to show your players where to bunt successfully. Tolerant of steel spikes and is virtually tear-proof. No need to set up cones for your bunting practice. Great for players at all ages and levels.

	MINOR LEAGUE		MAJOR LEAGUE	
20' x 24' x 64'	FCS018	\$694.99	FCS021	\$724.99
15' x 24' x 54'	FCS019	\$624.99	FCS022	\$654.99
15' x 18' x 48'	FCS020	\$569.99	FCS023	\$599.99

(C) 2-Piece Cage Collar

Protect your natural turf around the batting cage and other high-wear areas. Reinforced, grommet edges. 14 oz. ArmorMesh material is designed to withstand cleat traffic. Mesh is spike-resistant.

FC7091 - \$1,029.99

(D) Installer Tube for Weighted Spot Covers

The installer tube provides an easy way to roll up and store your weighted tarps. This installer tube allows two people to roll up the cover for the pitcher's mound, home plate or bullpen in less than 30 seconds. PVC pipe with aluminum reinforcement. 5' stainless steel cord (on each end) for pulling. Cords feature carry handles for comfort.

12' Circle	FC6013	\$329.99
18' Circle	FC6014	\$409.99

FN1063	471' Roll	\$3,434.99

Safety Top Cap

Simply snap over the top of the fence and lock the wire mesh with steel hog-rings (included in package) through the three pre-drilled holes on each piece. Manufactured using HDPE plastic and UV stabilizers. Designed to endure high impact, resist the harmful effects of the sun, and withstand severe weather conditions. Resists vandalism by using the hog-rings to permanently attach the Safety Top Cap to the fence. This product is growing in popularity at athletic fields, parks, playgrounds and recreational facilities throughout the country. Primarily used in safety yellow color for baseball fields. Bag contains five 8' pieces (40' per bag).

Fence Guard

Fence Guard has a professional teardrop shaped profile which is excellent for player protection and giving your field a professional look. Helps to reduce chain-link injuries by increasing visibility and hiding sharp edges. The 8' long sections and pre-drilled 24" holes make it easy to install for one person. The securing ties are included in the package. Lite standard, and premium are available in yellow, forest green, red and blue. The standard is also available in orange and white. Sold in 80' cartons. 5-year limited warranty.

PolyCap Fence Guard

PolyCap is an inexpensive way to beautify any field and to reduce player injury by increasing fence visibility. Weather-treated and UV-protected 4-1/2" diameter polyethylene construction will offer years of protection, backed by a limited 2-year warranty. Install with an optional tool and secure the cap with optional matching ties every three feet.

BATTING TEES

(A) The Tanner Tee
Industry leading and best-selling batting tee, Tanner Tee, the original, is excellent for all ages and skill levels. Easy adjustments with patented hand-rolled flexible rubber top.
TA2403 - \$80.00

(B) Tanner Tee - Pro Model
The Tanner Pro batting tee features a weighted base, skid resistant rubber cover and travels easily in a bat bag.
TA2405 - \$100.00

(C) Tanner Tee - Heavy Model
Ten pound heavy "claw" provides three points of contact for extra grip on any hitting surface.
TA2407 - \$115.00

(D) 5-Point Hitting Tee
Lightweight and breaks down for easy transport. This 5-point hitting tee is a great hitting aid, allowing for various placement of multiple balls. Perfect for baseball and softball.
TA1008 - \$49.99

(E) The G Tee
Portable, easy set-up. The G-Tee is a unique batting tee. The base of the G-Tee is made of polyethylene and will not fade or warp. Its shape reduces catapulting and the weight post with the optional 10-lb weight plate gives it incredible stability. At the center of the base are a quick-change stabilizer and lock pin that securely hold the upright in place. Assembly or disassembly takes a matter of seconds.

26" - 53'	TA2180	\$109.99
22" - 41"	TA2190	\$105.99
10-lb G-Tee Weight	TA2191	\$19.99

(F) FallLine Single-Position Batting Tee
10-year limited warranty. Constructed from a premium-grade polyurethane compound for ultimate durability, superior to similar rubber-based products. The base has a molded-in steel plate for extra weight to help keep the batting tee from tipping over.
TA1013 - \$79.99

(H) FallLine Premium Baseball Batting Tee
10-year limited warranty. The FallLine Premium Baseball Batting Tee is constructed from a premium-grade polyurethane compound for ultimate durability superior to similar rubber-based products. This tee is engineered to stand up to the toughest workouts. The heavy-duty construction of the Premium Tee includes a solid stem, thick-walled sleeve, and a base that is designed for maximum stability.
TA1012 - \$97.99

(I) Schutt Swing Rite Batting Tee
Dual stems help hitting both inside and outside pitches. Folds into easy, compact 14" x 18 7/8" x 19" size with handle. Tees range from 21 3/4" up to 35 1/2" tall. Includes illustrated manual full of drills and exercises. 48-hole batting tee. This tee allows for regular and enlarged strike zones. The up/down adjustment teaches hitting the ball out front and not on top of the plate. Also helps eliminate the uppercut/golf type swing. Illustrated manual full of drills and exercises.
TA2051 - \$172.99

(J) EquiTee Batting Tee
Used by many Major League players, the EquiTee is engineered to develop the hitter's swing to produce consistent solid contact and backspin that results in line drives. Proper practice with the EquiTee will eliminate hitting problems caused by an uppercut swing. Made from solid rubber with specially engineered reinforcements to withstand the daily workouts of a professional hitter. Adjusts from 22" to 37" height for effective use by Major Leaguers or T-ball players.
TA2170 - \$82.99

(K) Deluxe Batting Tee
Standard Little League batting tee. Mounted on an official rubber home plate, has a telescopic sleeve which adjusts from 22" to 47" to accommodate batters of all sizes. Replacement sleeves available, not included.
TA1010 - \$20.99

(L) Schutt Ultimate Travel Tee
For use at all levels of play. Telescopes from 27" to 57". Top rubber tip folds over on impact while tee remains upright. Single base included with product. Baseball and softball top tubes included with purchase. Can be carried easily in travel bag or personal bag. Interchangeable with Swing Rite Tee. Durable construction for longer life. Excellent for camps and clinics.
TA2038 - \$39.99

(G) FallLine Multi-Position Batting Tee
Constructed from a premium-grade polyurethane compound for ultimate durability superior to similar rubber-based products. Includes 2 adjustable posts and offers 5 post locations for a variety of training exercises. The base is designed for stability in order to help reduce the batting tee from tipping over. 10-year limited warranty.
TA1011 - \$92.99

PVTee™
Portable • Versatile • Tough

“MEANT TO BE HIT”

ONE-YEAR MANUFACTURER'S WARRANTY

ABCA BEST OF SHOW

(A) ProMounds PVTee™
Made from the highest quality materials, the PVTee™ is designed to withstand the wear and tear of repetitive use. Utilizes a unique magnet to allow the tee to break down in one second and be put in an equipment bag for travel. Has a 10 lb weighted base that holds the tee in place and its flexible pivot joint allows the impact of a mis-hit to be realized in the pivot joint, not the other components. The flex pivot consists of a dual-spring design to return the stem to a ball ready position for the next swing. The PVTee™ allows for continuous training by being virtually impossible to tip over. This tee was meant to be hit. One-year manufacturer's warranty. Dimensions: 27" - 47".
TA2401 - \$109.99

(B) PVTee™ Low-Stem
Swing for the low corners and bottom of the strike zone. Non-pivot stem. Base included. Height: 20"-26".
TA2400 - \$69.99

Reinforced flexible rubber tee top

PVTee™

PITCH WITH A PURPOSE™

BEST OF SHOW

The Designated Hitter™

Practice pitching any time with The Designated Hitter™. The DH allows pitchers of any age or skill level to get quality bullpen sessions without the need for a "live" batter. The batting dummy mimics a live batter, making bullpen sessions safer and more efficient. Great for baseball or softball players, The DH is safe to use with a catcher, due to beveled edges that reduce pitch deflections. Orange string marks the inside corner and provides a visual sight line, allowing your pitcher to improve pitching to the inside corner. Great for use in bullpens during games. Can act as both a left- or right-handed hitter. DH available in: blue, red, or gray.

5'9" DH Pro - \$329.00
5'2" DH Youth - \$329.00

(A) Strike Strings Pitcher's Training Aid

Strike Strings are a pitcher's training aid that provides strike zone visualization for pitchers with the advantage of immediate feedback. Constructed of high-visibility elastic strings to outline the strike zone. The only pitching target that offers a true "pitch through" to the catcher design. The flexible strings eliminate deflections for the catcher's safety and a true look at the pitch. Great for pitching practice and training pitchers of all ages. A versatile and durable design. Work the corners or three inches off the plate and anything in between. Easy set-up in minutes and attaches to almost anything.

Package	TA4000	\$39.99
Kit	TA4001	\$99.99

(B) The Ultimate Pitcher's & Catcher's Plate

The Ultimate Pitcher's and Catcher's Plate is an excellent training aid that emphasizes location. Uses high-visibility orange for the extended corners that are easy for the pitcher to see. Constructed of durable rubber. The extended corners increase the length of the plate 2.5" on each side. The back of the plate comes to three points to help with catcher positioning, centering themselves on each point to improve their ability to frame pitches.

TA2043A - \$24.99

(A) Premium Series Sock Screen

Used for easily collecting batted and thrown balls. Ideal for baseball, softball fields, and other training facilities. Sock screen is made of 1 5/8" tubing, galvanized and powder-coated green. Commercial-grade sock screen nets are #36 twisted, knotted nylon. Sock screen design includes a rope border and are hand-sewn at every mesh. Twine included for tying off the bottom. Pillowcase-style slip-on sock nets. Optional wheel kit also available.

Screen	PS3004	\$279.00
Replacement Net	SN6023	\$105.00
Wheel Kit	PS3006	\$49.00

(B) Jugs Protector Series Sock Screen

Jugs Protector Series Sock Net Screen has black, pearl-foam, vinyl-covered, .5-inch-thick padding. Black, double-thick 691-90 ply, poly-E netting. Screens are easily assembled—no welding or lacing. All joints are double-bolted for maximum strength and superior longevity. 1.5-inch-diameter, 2mm-thick, 1020 cold-rolled steel frame tubing. 2-year guarantee on netting and frame. Hitting-facility tough design.
PS3065 - \$589.00

(C) Bownet Hitting Station & Mini Backstop

The Bownet Portable Hitting Station and Mini Backstop is a versatile portable sports net that's fantastic for baseball or softball play, from t-ball to college. This all-purpose hitting station works great for drills, practice and actual competition. Portable backstop is durable, yet lightweight. Simple to transport, set up, and move around the field.

TA2228 - \$299.99

(D) Bownet Big Mouth Screen

The Bownet Big Mouth 7'x7' Sports Net is a portable sports net that works great for soft-toss, batting tee practice, and pitching practice. The key to the product design is the "bow" in the poles, which allows the poles to flex, and puts less stress on the net. Durable and portable. Quick set-up in about 90 seconds.

TA2226 - \$149.99

(A) Pitcher's Pocket

This training aid is perfect for evaluating a pitcher's accuracy. Available in 3 models 9, 12, 16 holes. The Pitcher's Pocket provides a complete variety of targets to improve and evaluate accuracy. Pitching frame is constructed of 1 5/8 in. steel. Pitching pocket has #60 gauge nylon netting laced to a 1/2 in. bungee cord. The frame is protected with vinyl-covered foam reinforced with grommets. Pitching frame sits on 2 removable legs. Great pitcher's target for baseball or softball practice. Feels like your own personal catcher instructing you exactly where to throw the pitch, and showing where it ends up. See website for available colors.

(5' x 5')

(7' x 7')

SwingAway Pro-XXL

The SwingAway Pro-XXL is built with heavy-duty, 16-gauge industrial steel tubing, and weighs only 46 lbs. with a frame size of 67" H x 54" W. Comes with the patented SwingAway Hitting Mat and an upgraded institutional bungee and cord kit. Designed by former MLB players and coaches to meet the demands of professional teams and training facilities. The Pro-XXL is easy to assemble with most of the components pre-assembled. It is more of a stationary machine, but the base folds to the frame in seconds for maximum storability and portability.

TA2254 - \$329.99

Radar Pitching Trainer

The Radar Pitching Trainer is the perfect pitcher's training solution from youth to pro. Works for baseball and softball. Combines a pitching target with a sonic radar speed indicator, virtual umpire, and pitch counter. Pitching radar keeps track of all pitching statistics. Includes a large balls and strikes display. Statistics are maintained for one or two players. Calculates ball speed from 20 to 99 mph (baseball or fastpitch softball). Ball speed is calculated from pitcher's release point. Pitching Radar can be set for Youth (45") or Adult (60" 6").

TA2114 - \$399.00

The Pitching Pad

The Pitching Pad is designed for pitching training and practice for players of all ages. The durable pad is made of thick durable vinyl, heavy duty straps with metal rings, and 4 inches of cushioning foam. Pitching training materials are included. Screen not included.

TA2172 - \$269.95

Batting Practice Ball Cart

The more time a player spends working on his/her swing the better, and this Batting Practice Ball Cart can be filled with a good workout's worth of at-bats. Made of heavy duty 1.5" O.D. powder-coated steel, this large capacity basket measures 16"H x 20"W x 25"L and is able to hold hundreds of balls. Oversize no-flat tires allow it to effortlessly roll over gym floors and grass alike. Load up the Batting Practice Ball Cart and get your team to improve their batting stats.

Stalker Pro II Radar Gun

The versatile Stalker Pro II is the choice of Major League Baseball and top-level collegiate and Semi-Pro teams worldwide. The Pro II quickly and accurately measures the speed of anything moving through the air, over land, or on the water. The one sports radar that does it all! Baseball Mode - 500 Foot Range! Rechargeable Li-Ion battery handle. Hard plastic carrying case. **TA2056 - \$1,250.00**

Jugs Pro-Sports Radar Gun

Comes with Digital Signal Processing (DSP) state-of-the-art technology and is fully guaranteed for an industry-best two years. Guaranteed to have an accuracy index of ±0.5 mph. Measures both MPH and KPH. Speed Range: 5-140 mph (8-224 kph). Greater distance range—up to 300 ft. **TA2117 - \$1,099.99**

Stalker Sport II Radar Gun

Capture accurate pitch speeds - EVERY TIME! 300 foot range - Stalker guns outperform all others! Built to last - just ask any baseball scout. Accurate to +/- 3% of reading. Measure speeds from 5-150 MPH.

Starter Package
TA2053A - \$499.00

Scout Package with Rechargeable Batteries
TA2053B - \$549.00

Deluxe Package with Hard Case and Rechargeable Batteries
TA2053 - \$599.00

Ball Coach Pocket Radar

The Ball Coach™ is specifically designed to measure the fastest speed of a ball in flight. Measures from 25-130mph at a range of 120'. Includes: belt holster case, wrist strap, 2 AAA batteries, quick-start guide and a 2-year warranty. Easy trigger capabilities eliminate any timing requirements: Simply hold the button down well before the ball is in flight and release once the speed is displayed. Enter Constant-On Mode to provide automatic triggering without the press of a button. **TA2285 - \$299.99**

Pitcher's Power Drive

The Pitcher's Power Drive teaches pitchers to use a proper weight transfer through their leg kick and back hip, pushing their front hip in front of their lead shoulder to create the power drive. The device teaches by a combination of auditory sound and kinetic feel. The timing click trains pitchers to initiate power with their back hip to keep their weight over the rubber longer. Keeping the weight back longer creates a more explosive landing through the hip and torso. Teaching pitchers to use their lower body to throw will increase their velocity and power.

Professional / Collegiate Metal	TA2118	\$205.00
Professional / Collegiate Clay Turf	TA2118CT	\$245.00
Professional / Collegiate Green Turf	TA2118T	\$245.00
Youth Metal	TA2168	\$179.00
Youth Green Turf	TA2171	\$215.00

PITCHERS POWER DRIVE

Softball Power Drive

Teaches softball pitchers to use their legs more effectively by linking up the timing from initial foot push with the proper body posture angle to be a softball power pitcher. All great athletes use their lower-body power to maximize the kinetic chain to create explosive power. The Softball Power Drive maximizes the push of the softball pitcher's foot as the starting point through the leg drive and body to fingertips which is the final link of the kinetic chain. There are two Softball Power Drive models available, made in the USA of solid steel weighing 14 lbs. They are built to handle the extreme use of softball teams and softball academies. Durable and long lasting. The two models are: Collegiate / Pro Turf Model - for use with cleats or turf shoes. Collegiate / Pro Metal Model - for use with tennis or turf shoes.

PITCHING MACHINES

PITCHING MACHINES

Hack Attack Pitching Machine - Baseball

The three-wheel design allows the batter to see the ball clearly all the way through the feeding motion, acceleration, and release, just like a live pitcher. The hitter sees when to stride, and the angle of release. This gives an actual live-arm sense of timing and location. Simply turn the dials to effortlessly throw 100 MPH fastballs and breaking balls at any speed. The three-wheel design changes the breaking pitch plane by simply adjusting the wheel speed dials. The elevation adjustment handle will raise or lower the pitch. With a simple turn, you can even move the pitch up or down within the strike zone between pitches.

PM8148 - \$3,199.00

Junior Hack Attack Pitching Machine - Baseball

The Junior Hack Attack has all of the unique features of the Hack Attack Professional Pitching Machine, including our patented three-wheel design. Delivers all types of pitches including 70+ MPH fastballs and all breaking pitches. Extremely portable, perfect for youth league, backyard, machine pitch games, travel teams, drills at all levels including high school, college and professional. The only pitching machine that will convert quickly to throw a special 7.5" diameter vision training ball.

PM8150 - \$2,199.00

Hack Attack Pitching Machine - Softball

Hack Attack Softball machine is a three-wheel design so the batter can see the ball clearly all the way through the pitch delivery. The hitter can see when to stride and the angle release, giving an actual live-arm sense of timing and location. With a quick turn of the dials you can effortlessly throw 80+ MPH fastballs, breaking balls, risers, screwballs, and drops. Changes breaking pitch plane by simply adjusting wheel speed dials. The elevation adjustment handle will raise or lower the pitch.

PM8161 - \$3,199.00

Junior Hack Attack Pitching Machine - Softball

The Junior Hack Attack has all of the unique features of the Hack Attack Professional Pitching Machine, including our patented three-wheel design. Delivers all types of pitches including 60+ MPH fastballs and all breaking pitches. Extremely portable, perfect for youth league, backyard, machine-pitch games, travel teams, drills at all levels including high school, college and professional. The only pitching machine that will convert quickly to throw a special 7.5" diameter vision training ball.

PM8163 - \$2,149.00

Hack Attack - Blast Attack Pitching Machine - Baseball

The Blast Attack is Sports Attack's new single wheel machine designed for club and other youth programs. It allows complete vision of the ball, just like a live pitcher, while delivering fastballs up to 70 MPH. Unique, patented design also incorporates easy elevation adjustment, full fungo capabilities, many safety features and extreme portability.

PM8189 - \$1,299.00
PM8190 w/ Leg Extensions - \$1,349.00

Hack Attack - Blast Attack Pitching Machine - Softball

The Blast Attack is Sports Attack's new single wheel machine designed for club and other youth programs. It allows complete vision of the ball, just like a live pitcher, while delivering fastballs up to 70 MPH. Unique, patented design also incorporates easy elevation adjustment, full fungo capabilities, many safety features and extreme portability.

PM8191 - \$1,299.00

PITCHING MACHINES

(A) ATEC M1 Pitching Machine

The M1 is the most complete and capable single-wheel machine. The concave wheel design maximizes pitch speed and accuracy. The M1 is both portable and powerful, designed to be the workhorse on the field and in the cage. Maximum velocity of 70 mph.

Baseball	PM8123	\$1,349.95
Softball	PM8124	\$1,349.95

(B) ATEC M2 Pitching Machine

The M2 Offensive Training Machine is built to train collegiate-level ball players. When it comes to accuracy, power and portability, no other 2-wheel machine is better equipped than the M2. With the ability to pitch 90mph, the M2 can throw collegiate-level fastballs, curveballs and sliders to any spot in the strike zone. The M2 is used and trusted by many nationally ranked college programs to develop their elite players and take their hitting abilities to the next level.

Baseball	PM8135	\$2,199.95
Softball	PM8136	\$2,199.95

(C) ATEC M3 Baseball Pitching Machine on Tripod

The ATEC M3 is built to train professional-level ballplayers. The 3-wheel design allows for hitters to have complete visibility of the ball throughout the entire pitch cycle, which improves their timing and increases their pitch recognition. Speed, accuracy, and spin are maximized due to the ball's increased surface contact with the wheels. Equipped to throw 105 mph to train against top pro-level fastballs and breaking pitches. Easy-to-use speed control knobs, pitches can be easily dialed in without making any physical adjustments to the machine.

PM8137 - \$3,199.95

(D) ATEC R3 Baseball Pitching Machine on Caddypod

The ATEC R3 is the top defensive training machine on the market. The R3 throws 10 balls per minute, giving you the ability to execute hundreds of liners, grounders, pop-ups and fly balls in a single practice. The R3 has the lowest recovery time in the industry (approx. 6 sec.). Built to perform every defensive drill, including catcher pop-ups.

PM8138 - \$2,899.95

(E) ATEC R2 Pitching Machine on Caddypod

The ATEC R2 is built for the collegiate-level defensive training. Has the unique ability to rotate and pivot freely while the machine is in use. Allowing you to challenge multiple fielders. Maximize your repetitions for any defensive drill with a 7-second recovery time.

Baseball	PM8139	\$1,999.95
Softball	PM8140	\$1,999.95

Iron Mike C-82 Combination Pitching Machine

Throws baseballs and softballs. Max speed 20 - 60 MPH. Lockable arm guard cover. 175 Lbs. This rack-fed pitching machine is the smaller of the Iron Mikes, holding 25 baseballs or 20 softballs at a time. The 2-wheel transport makes this machine easy to transport.

PM8023 - \$1,469.99

Iron Mike MP4 Pitching Machine

Hopper-fed, arm-style pitching machine throws baseballs and softballs from 25 - 85 MPH. This is an ideal commercial pitching machine as it holds 600 baseballs or 400 softballs* and is reinforced with extra protection. It can be easily converted from baseball to softball with purchase of the Softball Hand. Built-in low voltage remote control with 80-foot cord. 4-wheel transport for quick, easy moving. Lockable arm guard cover.

Pitching Machine	PM8011	\$3,999.99
Cover	PM8026	\$219.99

Iron Mike MP5 Pitching Machine

Throws pitches from 25-85 MPH. Rack-fed system holding 38 baseballs or 28 softballs. Heavy-duty arm and hand system that is easily converted from baseball to softball with purchase of the Softball Hand. Built-in low voltage remote control with 80-foot cord. 4-wheel transport for quick, easy moving. Lockable arm guard cover.

Pitching Machine	PM8018	\$2,999.99
Cover	PM8024	\$215.99

Iron Mike MP6 Pitching Machine

Hopper-fed, holds 600 baseballs or 400 softballs. Lockable arm-guard cover. This arm-style pitching machine throws baseballs or softballs* 25 - 85 MPH. Designed for serious players, prospects and teams. *The MP6 is set up for baseball by default. It can easily be converted between softball and baseball by purchasing the Softball Hand (Slowpitch Ball Stop available for Slow Pitch Softball).

Pitching Machine	PM8012	\$3,599.99
Cover	PM8026	\$219.99

PITCHING MACHINES

PITCHING MACHINES

(A) JUGS BP3 Pitching Machine

Throws Changeups: change from fastball to changeup at the touch of a button using the remote control on key chain or manual button located on control panel. Digital Speed Adjustment: 40-90 mph. Select-A-Pitch™ Dial: The BP®3 throws the following nine pitches at the turn of a dial. Micro-Adjustment: Pinpoint™ control at your fingertips—the most advanced and easy to use pitch targeting system ever developed for a pitching machine (patent pending). Fastball/Changeup Hitting Circuit: 3 preset hitting circuits allows the machine to automatically change between fastball and changeup giving your hitters a “real” pitcher vs. hitter experience.

BP3 Pitches:

- Fastballs and Changeups
- Right- and Left-handed Curveballs and Sliders
- Right- and Left-handed Cutters
- Split-finger Fastballs

PM8181 - \$3,495.00

(B) JUGS Combo Pitching Machine

Quick and easy speed adjustment. Throws from 20-104 MPH. Portable and easy to move and set up. One person can remove the legs and load JUGS into the trunk of a car. Patented “gooseneck” design provides full range of movement to adjust for all types of pitches, including fastballs, drops, and risers. Throws baseballs, 11” or 12” softballs, Sting-free balls, JUGS Pearl, JUGS Lite-Flite balls, JUGS Softie balls, JUGS Bulldog and tennis balls. Great for defensive drills. Swivel base casting provides 360-degree movement for fly balls, ground balls, and pop-ups.

PM8019 - \$3,395.00

(C) JUGS Lite-Flite Combo BB/SB Pitching Machine

Provides a whole range of movement to adjust for all types of pitches—including fastballs, curves and sliders. Simulates speeds up to 85 MPH. Throws baseballs and softballs, Lite-Flite and Bulldog polyballs. Your hitters learn to hit breaking pitches without fear of being hit by the ball. Quick-Change design features exclusive Switch-and-Play Knobs. Go from baseball to softball in a matter of seconds. Swivel-design base casting provides 360-degree movement for fly balls, pop-ups and ground balls.

PM8014 - \$449.00

(D) JUGS BP®1 Softball Pitching Machine

- New higher speed—Throws up to 70 mph
- Digital readout display
- Throws risers, fastballs and drops
- Safe and simple to operate. Portable and easy to move and set up. Weighs just 75 lbs
- Patented “always see the ball™” delivery system
- Realistic underhand delivery
- Throws 11” or 12” softballs
- 360-degree swivel base—Great for defensive drills
- The BP®1 Softball Pitching Machine comes standard with a 12” ball chute. An 11” ball chute is sold separately.

PM8184 - \$1,450.00 • PM8188 - With Cart - \$1,495.00

(E) JUGS BP®1 Baseball Pitching Machine

- New higher speed—Throws up to 70 mph
- With its digital readout display, you decide what precise speed is best for your players
- Pitches are thrown from a realistic release point
- Portable and easy to move and set up. Weighs just 75 lbs
- Special non-marking pneumatic tire
- Patented “always see the ball™” delivery system

360-degree swivel base—Great for offensive or defensive drills

PM8186 - \$1,450.00

(F) JUGS BP®1 Combo Pitching Machine for Baseball and Softball

- New higher speed—Throws up to 70 mph
- With its digital readout display, you decide what precise speed is best for your players
- For baseball: The BP®1 comes with a baseball chute and long straight legs
- For softball: The BP®1 comes with a 12” softball chute and curved legs
- Set up for either sport, pitches are thrown from a realistic release point
- Portable and easy to move and set up. Weighs just 75 lbs
- Special non-marking pneumatic tire
- Patented “always see the ball™” delivery system
- 360-degree swivel base—Great for offensive or defensive drills

PM8182 - \$1,500.00

- Set your JUGS MVP® to throw at the exact speed you desire:
- With its digital readout display, you decide what precise speed is best for your players.
- For baseball: The MVP® comes with a baseball chute and long straight legs.
- For softball: The MVP® comes with a 12” softball chute and curved legs.
- Set up for either sport, pitches are thrown from a realistic release point.
- Portable and easy to move and set up. Weighs just 56 lbs.
- Special non-marking pneumatic tire.
- Patented “always see the ball™” delivery system.

PM8187 - \$995.00

First Pitch Curveball Pitching Machine

Two-wheeled machine that will throw up to 105 MPH. Throws curveballs, sliders, knuckleballs, fastballs, tailing fastballs, and sidearm curves by adjusting the individual wheels to different speeds. Has both a swivel function and a side-to-side adjustment that allows for angling the tires to throw the different pitches. Ball turret makes both left-handed and right-handed pitches possible.

- Combo - PM8118 - \$1,799.00
- Baseball Only - PM8116 - \$1,799.00
- Softball Only - PM8117 - \$1,799.00

First Pitch Baseline Pitching Machine

1/4 HP US-made motor. Steel legs are reversible for baseball or softball. Contoured skid plate for greater accuracy and longer ball life. Simple “no-tools required” switch from baseball to softball in seconds. Full-size pitching machine tire provides long life and minimal wear on balls. Full 360-degree swivel fielding practice. Ground balls to pop flies and everything in between. Made in the USA and comes with a 5-year warranty.

PM8114 - \$849.00

First Pitch Original Pitching Machine

Throws up to 80 MPH. Includes two loading tubes to switch from baseball to softball without tools. Long legs, short legs or both are available for this machine. Throws pitching machine balls or real baseballs and softballs. Angle and speed are adjustable from 20 to 80 MPH for accurate, consistent pitches. Quality construction combines the strength of steel with weight-saving aluminum. Compact and easy to carry to games. Full five-year warranty for residential use or a one-year warranty for commercial use. Adjustment knobs are nickel-plated aluminum; main bracket is black zinc-coated steel; other parts are red powder-coated aluminum.

PM8109 - \$975.99

First Pitch XL Pitching Machine

Throws baseballs and softballs. Baseball and softball chutes included. Will throw any type of ball: stitched, dimple, even foam balls. Fully enclosed motor for ultimate durability. Pivoting legs for baseball or softball height settings. Tips down for ground balls and up for pop flies. Quad surface clamping allows you to lock in the height or set the tension for rapid movement in fielding practice. Ratcheting handles allow for comfortable positioning. Made in the USA and has a five-year warranty.

PM8115 - \$1,249.00

Rawlings 3-Wheeled Pitching Machine

Can throw any pitch from any angle. Exclusive digital control panel for easy pitch setup. Speed range for baseball 40-100 MPH and softball 36-90 MPH. Custom motors with oversized stainless steel shafts for durability. Tough powder-coat finish. Made in the USA.

COMBO	PM8121-C	\$2,999.00

Rawlings 2-Wheeled Pitching Machine

Throws any pitch from any angle. Speed range: 25-105 MPH baseball, 25-88 MPH softball. Super portable - weighs just 59 lbs. LED speed displays. Custom motors with oversized stainless-steel shafts. All stainless-steel fasteners. Tough powder-coat finish. 5-year warranty. Made in the USA.

BASEBALL	PM8122-BB	\$1,999.00
SOFTBALL	PM8122-SB	\$2,099.00
COMBO	PM8122-C	\$1,989.99

Rawlings Automatic Ball Feeder

Holds 35 baseballs or 29 softballs. Interchangeable turrets for baseball and softball. Wireless remote control included. Open ramp displays ball as it feeds. 2-year warranty. Made in the USA.

BASEBALL	PM8125-BB	\$699.00
SOFTBALL	PM8125-SB	\$699.00
COMBO	PM8125-C	\$899.00

BATA 2Pitch3 Baseball Pitching Machine

On the 2Pitch3 Baseball Pitching Machine, both the Fastball head and the Curveball head can be tilted 35-degrees left or right to simulate right-handed or left-handed pitching.

The Fastball head now has two individual speed controllers. This allows you to set up the Fastball head to throw any type of pitch (similar to the BATA-2). Being able to alter the ratio of the two motor speeds allows you to throw many different types of fastballs (straight, sinking, tailing, etc.), as well as other pitches (slider, knuckleball).

Features:

- Throw 2 different pitches in ONE SET UP
- Fastball up to 95 mph, Curveball up to 75 mph
- Heavy duty steel construction
- Throws flyballs and groundballs
- Runs on 110 volt AC
- 10-year warranty
- MADE IN USA
- Goodyear rubber pitching wheels

PM8008 - \$3,049.00

BATA-1 Twin Pitch Pitching Machine

The BATA-1 Twin Pitch Softball/Baseball Pitching Machine does what no other softball/baseball machine has done before. It gives you two pitches in one set up. Imagine you're practicing hitting baseballs or softballs, but instead of one pitch coming in at one speed, over and over again, you have two pitches to look for, just like real batting. You can set up the BATA-1 Twin Pitch to throw a fastball and changeup, or two fastballs in different locations.

Features:

- 2 different pitches in ONE SET UP
- Fastball up to 70 mph / Change up (up to 70 mph)
- Two BATA-1's on a single stand
- Welded steel construction
- Runs on 110 volt AC or Generator
- May be used with BATA Auto-feeder
- Throws flyballs and groundballs
- Transport Kit Available
- 10-year warranty
- MADE IN USA
- Goodyear rubber pitching wheels

BASEBALL	PM8195	\$1,899.00
SOFTBALL	PM8196	\$1,899.00
COMBO	PM8009	\$1,999.00

BATA-2 Baseball/Softball Combination Pitching Machine

The versatile BATA-2 Baseball/Softball Combination Pitching Machine is the choice of many major league teams. Capable of throwing any type of pitch, with a maximum speed of about 100 miles per hour. Also ideal for throwing grounders and flyballs. BATA-2 is the only machine with Soft-Tread Pitching Wheels, designed specifically for throwing real leather baseballs. This machine will also throw dimpled pitching machine balls or softballs.

Features:

- Speed 25-100 mph.
- Weight 98 lbs.
- Throws all types of pitches
- Throws grounders and pop flies
- 3-way swivel head
- Runs on 110 AC
- 10-year limited warranty
- Quick-Release Leg Lock Kit available
- Goodyear rubber pitching wheels

BASEBALL	PM8028	\$1,799.00
SOFTBALL	PM8029	\$1,799.00
COMBO	PM8197	\$1,849.00

BATA B1 Curve Baseball Pitching Machine

The economy of a single-wheel baseball machine with the ability to throw different pitches.

Features:

- Fastballs
- Curveballs
- Sliders
- Maximum Speed:70 mph with leather baseballs or BATA Dimpled Baseballs (70mph from 46' = 91mph from 60')
- Weighs just 60 lbs.
- 10-year limited warranty
- Goodyear rubber pitching wheels

BASEBALL	PM8030	\$1,199.00
SOFTBALL	PM8031	\$1,199.00

Rawlings Quatro Pro BBCOR Baseball Bat

Longitudinal Flex - re-engineered composite layering for enhanced trampoline across the length of the barrel. Suspended Inner Barrel - simplified inner barrel balances swing weight promoting high velocity swing speeds. Focused Flex - Reconstructed collar assembly for a stiffer, focused flex eliminates barrel drag while reducing vibration. Ultra-light end cap accelerates swing speed equating to max distance. Includes Lizard Skins grip for unmatched comfort and tack. Made in the USA.

BT1451 | 34"/31oz, 33"/30oz, 32"/29oz, 31"/28oz. | \$449.99

Rawlings Velo Hybrid BBCOR Baseball Bat

New Accelerated Carbon Performance - 2" of carbon composite design to create the lightest swing weight possible. Precision Laser pOp 2.0 - lasered groove through sweetspot proven to increase barrel flexibility. Redesigned profile for a longer, flatter barrel. Sting control - vibration dampening urethane infused for a smoother feel at contact. A1909 strong alloy offering thinner walls for lighter weight and enhanced performance.

BT1452 | 34"/31oz, 33.5"/30.5oz, 33"/30oz, 32"/29oz, 31"/28oz. | \$349.99

Easton ADV 360 Pro BBCOR Balanced Baseball Bat

Launch composite technology combined with 360 degrees of barrel-tuned precision, optimizes the barrel profile to push the limits of performance. 2-Piece iSo CXN construction is made with proprietary Nitrocell foam isolates the handle for the barrel for a solid feel and power through the zone. Power Boost soft knob technology provides hitters more leverage and power potential, while reducing and improving comfort for the bottom hand. DFS Carbon Handle is built from 90% carbon fiber creating an extra stiff handle. Pro balanced swing weight provides optimized barrel length and balance point for the best combination of power and speed.

BT1459 | 34"/31oz, 33"/30oz, 32"/29oz, 31"/28oz, 30"/27oz | \$495.95

Easton Maxum 360 BBCOR Baseball Bat

One-piece seamless carbon construction combined for 360 degrees of barrel tuned precision, provides pure flexural energy, uniform barrel strength and max performance for knob to cap. Computer-controlled precision molding technology produces an ultra-consistent, lightweight wall for optimal performance in every swing. Speed balanced swing weight provides optimized balance point for fast swing speed. Lizard Skins custom bat grip provides the ultimate feel, cushion and tack.

BT1460 | 34"/31oz, 33"/30oz, 32"/29oz, 31"/28oz, 30"/27oz. | \$399.99

DeMarini CF Zen Balanced BBCOR Baseball Bat

Paraflex Plus Composite Barrel was developed to deliver a massive sweet spot and maximum barrel control, this is the most consistently, high performing barrel in the game. 2-piece composite featuring the 3 fusion connection and paraflex plus composite handle deliver maximum energy transfer to the barrel, not your hands. ReActioni End Cap is built with a blend of stronger and lighter materials to increase barrel performance without sacrificing swing speed.

BT1475 | 34"/31oz, 33"/30oz, 32"/29oz, 31"/28oz, 30"/27oz. | \$449.95

Louisville Slugger Meta Prime BBCOR Baseball Bat

EKO composite engineered to the pinnacle of performance, light swinging, huge barrel and the truest sound in the game. Patented 3FX connection system is a 3-piece design provides a perfectly tuned stiff feel on contact while dramatically reducing vibration. Premium RTX End Cap Design maximizes the barrel shape and sweet spot. Balanced swing weight for the ultimate combination of speed and power. Premium pro comfort grip for the perfect mix of tack and cushion.

FASTPITCH BATS

BASES & PLATES

Rawlings Quatro Pro Fastpitch Bat

Simplified suspended inner barrel balances swing weight promoting high velocity swing speeds and distance. Reactive outer barrel - a thin, incredibly reactive outer barrel creates a huge sweet spot, maximizing pop and distance. Focused flex is a reconstructed collar assembly for a stiffer, focused flex eliminates barrel drag while reducing vibration. Ultra-light end cap accelerates swing speed equating to max distance. Approved by ASA/USA, USSSA, NSA, ISF, ISA and all other associations using 98 MPF w/ABI. Lizard Skins Grip provides unmatched comfort and tack. Made in USA.

- BT1458 | -9 | 34"/25oz, 33"/24oz | \$349.99
- BT1457 | -10 | 34"/24oz, 33"/23oz, 32"/22oz, 31"/21oz, 30"/20oz. | \$349.99
- BT1492 | -11 | 33"/22oz, 32"/21oz, 31"/20oz, 30"/19oz, 29"/18oz, 28"/17oz | \$349.99

Easton Ghost Advanced Fastpitch Bat

Double barrel construction combines a lighter inner barrel with a stronger outer barrel, creating the lowest compression for more barrel flex and even higher performance. Launch composite technology allows for a longer, lighter and stronger barrel, creating a bigger sweet spot. Soft Knob technology provides hitters with more leverage and power potential. By doubling the amount of Nitrocell foam injected into the connection joint, this bat produces nearly no vibration for the best feeling bat ever made.

- BT1506 | -8 | 34"/26oz, 33"/25oz | \$349.99
- BT1505 | -9 | 34"/25oz, 33"/24oz, 32"/23oz | \$349.99

RUBBERS

(A) Pro 4-Way Pitching Rubber

Pitching rubber used in Major League Baseball. Quality manufactured with 4 sides so that it can be rotated for extended life. A great investment for your field. Molded rubber is designed to withstand the rigors of everyday pitching.

BA2006 - \$89.99

(B) Pro Step-Down Pitching Rubber

Give your pitchers better footing and stability with our Pro Step-Down Pitching Rubber manufactured with a wooden core and a solid molded rubber cover. The pitching rubber's front extension prevents holes in front of rubber and provides even, firm footing. Made with a heavy-duty white rubber cover. This pro-model, adult-size pitching rubber is a great alternative to traditional flat style.

BA2048 - \$64.99

(C) Schutt Pro 4-Way Pitching Rubber

Molded rubber and includes an interior tube to maximize longevity. An interior aluminum tube for added professional strength.

BA2029 - \$119.99

(D) Spike Installed Pitching Rubber

Spike Installed Pitching Rubber has great durability and economy. Heavy-duty molded white rubber. Metal inserts and three spikes for installation. Official size: 6" x 24".

BA2003-S - \$21.99

(E) Hollywood Dual Stanchion Removable Pitching Rubber

Easy to remove and relocate for different levels of play. Includes anchor, stanchion and pitching rubber.

BA3006 | 18" | \$99.99
BA3004 | 24" | \$119.99

THROW-DOWN BASES

(F) Throw-Down Waffle Bases (Set of 3)

Ease of use is the feature of these waffle-style, throw-down bases. The suction bottom design stabilizes the base and helps minimize the risk for injury. Set of 3 waffle-bottom bases. The rubber and beveled construction provides traction to prevent slippage. Great for indoor or outdoor play. Rubber bases with beveled edge construction. Bases have 1/2" thickness. Great base for practices.

BA2002 - \$27.99

(G) Heavy Duty Vinyl Bases

Heavy Duty Vinyl Bases are official size. Rugged, durable, and perfect for adult play. New polyfoam inner core allows for maximum shape retention along with a great "soft landing" cushion. Inverted sewn corner seams and double-thick top are designed to last. Covered with 100% nylon-impregnated vinyl covers that are both weather and water resistant. Each set includes packed 3 bases with 6 spikes.

BA3003 - \$54.99

(H) Soft Touch Turf Bases (Set of 3)

Soft Touch Turf is designed for use on synthetic playing fields with a turf depth of 1". Our unique design requires no mounting system and sits securely on the synthetic turf. Easy to install, Soft Touch Turf can remain in-ground year round or set up for game-time. Set of 3 bases.

BA2077 - \$619.99

BASES & PLATES

BASES & PLATES

Original Jack Corbett MLB Hollywood Bases (Set of 3)

Recommended for Major League, minor league, semi-pro, college, and high school baseball. This base has an extended tapered lip that virtually eliminates all the edge turn-up that cheap imitation bases have. The highest quality, longest-lasting base available. Currently used by all 30 Major League Baseball teams. The longest-lasting pro-style bases available in the game today. Made from high-quality rubber. Stands up well in all weather conditions. Does not include anchors and plugs.

Set includes all 3 bases.

BA2013 - \$199.99

BA2079 - Package (includes: bases, anchors and plugs) - \$239.99

HOME PLATES

In-Ground Home Plate

Home plate is a regulation size 3" thick home plate with no corners or edges to catch players' spikes. Comes ready to install. Beveled edges and sides with a one-piece vinyl cover. Entire exterior molded vinyl 5/16" thick. White top surface. Manufactured with a wood-filled core.

BA2047 - \$69.99

Waffle Bottom Home Plate

Cost-efficient home plate that can be used indoors and outdoors. Regulation size. Easy to move around and store. No installation needed. Great home plate for baseball and softball play at home or on the field.

BA2001 - \$14.99

Schutt Pro Home Plate

Schutt Pro Home Plate is manufactured with high-durability molded rubber construction. This removable home plate comes with a stanchion-mounted steel plate and ground anchor to allow for a stable, yet removable installation method. Easy to install. Easy to remove after the game or practice.

BA2025 - \$103.99

ANCHORED BASES

Pro Anchored Bases (Set of 3)

Pro anchored base, heavy-gauge rubber cover over high-density foam interior with a rust-proof bolted stanchion pan. Set includes: 3 bases and 3 hinged ground anchors. 15" x 15" x 3".

BA2022 - \$123.99

Low-Profile Pro Model Bases (Set of 3)

Offers a lower, more sleek look for your field. The low-profile bases are constructed with durable, molded rubber. Bases come complete with anchors and plugs. Includes 3 bases. Breakaway-style molded rubber bases. Size: 15" x 15" x 2.5".

BA2021 - \$111.99

Pro-Style Bases Set (Two Pro-Style Rubber Bases and a Double 1st Base)

This Pro-style Bases Set includes one double first base, plus two standard pro-style rubber bases. White side for the fielder, orange side for the runner. These bases are manufactured with a heavy-duty vinyl covering and a soft re-bonded foam filler. For all levels of play.

BA2046 - \$249.99

SAFETY BASES

Schutt Kwik Release Bases (Set of 3)

Approved by Little League. Patented design compresses upon impact. Easily installs in standard 1 3/4" square ground anchors. Rubber base won't absorb water and repels dirt. 15" x 15" x 3". Set of three bases. Base plugs and ground anchors sold separately.

BA2028 - \$369.99

Magnetic Baseball Base

Magnetic Break-Free Bases come complete and include everything you need for installation: a rubber padded base cover, stanchion pan, ground inserts and three interchangeable magnetic plates to adjust holding strength. Meets Little League rule 1.06. Includes 3 different plate sizes to adjust the holding strength of the base to the anchor. The durable rubber base cover is made with steel stanchion pan and modular heavy gauge non-collapsible textured white rubber for excellent durability. Dimensions: 15" x 15" x 2 1/4".

Sold individually.

BA2042 - \$205.99

Soft Touch 15" Bases (Set of 3)

These Soft Touch Progressive release bases are designed to flex and absorb energy as a player slides into the base. In the case of a short slide, the "progressive release" action allows the base to flex until enough force is applied to "pop" the base free from its mount. Includes set of three, 15" bases and in-ground mounts.

BA2014 - \$399.99

BA2050 - Bases Only - \$279.99

CG1070-S/M - \$89.99

Mizuno Classic Wheel Bag G2

A popular choice as a team bag or for players needing extra storage space for their gear. Spacious and lightweight, the Classic Wheel Bag G2 is designed with multiple storage compartments, including a Ventilated Footwear Storage Compartment that allows you to separate your cleats from the rest of the bag. Features Hybrid Handle Straps that allow you the versatility to transport your bag multiple ways.

EQ1086 - \$79.95

Mizuno MX Equipment Wheeled Bag G2

A great team bag, the MX Equipment Wheel Bag has spacious storage in its main compartment. Durable off-road wheels, hand straps, and a retractable handle allow for easy transport.

EQ1089 - \$95.95

Mizuno Organizer OG5 Backpack

This popular backpack is an exceptional value with a generous amount of features and storage space. Available in a full array of color options, the Organizer OG5 Backpack features side bat sleeves, a ventilated footwear compartment, a top J Hook for easy fence docking, and a convenient front pocket designed for quick access to smaller items like batting gloves and phones.

EQ1087 - \$45.95

Easton E900G Equipment Bag

Designed using rugged and extremely durable materials and a telescoping handle for transportation to the field. Wide set wheels with an axel and full bottom rails provide strength and durability. A large top pocket holds 15-20 bats. The top panel has three pockets, one felt lined, and two for team or personal items. Vented pockets minimize odor and allow equipment to dry faster. Dimensions: 39"L x 16"W x 17.25"H.

EQ1010 - \$169.95

Diamond Delta Gear Bag

Diamond Delta Gear Bag is designed with rugged 600-denier fabric and a u-shape zippered main compartment. This bag features two padded zippered bat sleeves, each holds one full size bat and easy access zippered side pocket. Telescopic pull handle and dual carry handles with clasp. Dimensions: 35" L x 16"W x 15"H.

EQ1006 - \$86.99

Schutt Large Plus Travel Bat Pack

New, ventilated with separate shoe compartment. Large J-hooks for easy fence attachment. Made from 600D polyester. Large Size: 23" x 16" x 10". Available in 9 colors.

EQ7038 - \$45.99

Deluxe Equipment Bag

Deluxe Equipment Bag utilizes a "U" shaped zipper top for easy access and large side pocket. Constructed with tough 600D polyester fabric and a heavy-duty wheel system. Two screen printable areas and two end handles for easy lifting. Dimensions: 36"L x 16"W x 18"H.

EQ1030 - \$56.99

Diamond Equipment Bag

Diamond Equipment Bag is constructed with heavy-duty water-resistant fabric. Utilizing a u-shaped zippered main compartment and shoulder straps that can be worn backpack style this is an excellent equipment bag. Diamond mesh inset for ventilation. Dimensions: 36"L x 15"H x 12"W.

EQ1009 - \$39.99

Wheeled Team Equipment Bag

Wheeled Team Equipment Bag is constructed out of black rip stop nylon. This bag has an extra large main compartment. Large end and side pockets. Heavy-duty zippers and hardware. Carrying strap with wrapped handles. Wheels for easy transport. Dimensions: 38"L x 16"W x 18"H.

CE1036 - \$69.99

EQUIPMENT BAGS

(A) All-Steel Drag Mat

Rust-resistant galvanized finish. Reversible; use either side. Rugged construction. A 1/4" polypropylene pull rope with a wooden handle is attached to the mat by chain hooks. Mesh size: 1" x 1".

3'W x 5'L	FE7002	\$139.99
6'W x 6'L	FE7003	\$295.99
6'W x 1.5'L	FE7004	\$119.99

(B) Cocoa Drag Mat

Constructed from natural cocoa fibers that "float" across the surface, producing a finish with minimal buildup of your infield mix. Tow chain and clips included. 1-year guarantee. Solid-steel twin blade cutting edge to level rough spots. Great on turf to break up core aeration plugs and smooth in top-dressing materials. Features a handle grip for easy transport.

4' x 2'	FE7063	\$145.99
6' x 2'	FE7064	\$195.99
6' x 4'	FE7065	\$296.99

(C) Rigid Steel Drag Mats

Drag attachments are on 4' and 6' sides. The rigid drags help to cut down high spots and fill low spots. Great for use between innings or for day-to-day maintenance. Can be pulled by hand, tractor or other grooming machine.

4'W x 1.5'L	FE7187	\$105.99
4'W x 2'L	FE7188	\$139.99
4'W x 3'L	FE7189	\$149.99
6'W x 1.5'L	FE7190	\$169.99
6'W x 2'L	FE7191	\$199.99
6'W x 3'L	FE7192	\$184.99

(D) Original Infield Eraser

The Original Infield Eraser is one of the most sought after field grooming devices made in decades! It will even work in adverse, damp soil conditions opposed to the standard metal drags which will "load up" and actually make your playing surface unlevel or unsafe. Its lightweight design makes it easy for any groundskeeper, coach or player to use and carry.

FE7084 - \$139.99

3'W x 2'L	FE7210-3x2	\$109.99
5'W x 3'L	FE7210-5x3	\$154.99
6.5'W x 2'L	FE7210-6.5x2	\$146.99
6.5'W x 4'L	FE7210-6.5x4	\$184.99

(E) Infield Dirt Tamp

Color may vary. Pack dirt around home plate with our heavy-duty tamp. FE7010 - \$84.99

(F) Field Rake

Handle has a non-slip vinyl grip, as well as a high-grade aluminum head and bracing. Made of an aluminum/magnesium alloy. FE7015 - \$79.99

(G) Diamond Pump

Pumps 20 gallons per minute. Base disk prevents mud and debris from being drawn into the pump. Tough ABS construction. FE7046 - \$99.00

(H) Big League Field Drag

Will condition a 6'-wide path in one pass. Designed to break up dirt or cinders on the baseball field or track. Designed to hold cement blocks for additional weight. With steel cutting teeth down, it tears up the dirt. With angle iron down, it levels the playing surface. Features 46, 4.5" teeth. The teeth are staggered with 3" gaps. Heavy-duty chain trails the unit to break up dirt clumps. Recommended to be pulled by a tractor. 1-year guarantee. FE7059 - \$362.99 • Replacement teeth, 46-piece set FE7194 - \$154.99

(I) Diamond Digger Combo Field Groomer

Features 4.5" sharpened and hardened steel cutting teeth which are replaceable once worn, for cost saving. Pneumatic wheels roll for effortless transport. Measures 14"W x 6'L with a galvanized steel frame. Pull chain provided on front and hooks on rear for attachment of drag mat. Designed to hold a maximum of 3 cement building blocks-not included- for additional weight when necessary. Remove wheels to turn groomer over and utilize as a leveling sled. Recommended to be pulled behind a tractor. Heavy-duty drag mat included. FE7066 - \$524.99

(J) Adjustable Batter's Box Template

Easy to create different sizes by simply sliding the template. Mark your batter's box with our template for easy field mark creation for your team. 1" galvanized steel construction. FE7001 - \$199.99

(K) Double Play Monster Drag Brooms

Includes a scarifier edge allowing it to perform double duty. Functions as a broom and a rake by simply flipping it over. The bristle side helps you to have the perfect finishing drag. FE7111 - \$239.99

(L) Foul Ball Return Station

Return foul balls to play without interrupting the game. The Foul Ball Return Station sets up in minutes and is made of double powder coated hardened aluminum and stainless steel bolts. Works for both baseballs and softballs. FE7200 - \$69.99

(M) Landscape Rake

Available in 24", 30", 36", 42", or 48" landscape rake face with 66" aluminum handle. 24" - \$64.99 • 30" - \$69.99 • 36" - \$74.99 • 42" - \$79.99 • 48" - \$84.99

(N) Rain Out

Never get caught with a wet muddy baseball field again. And with just 8 ounces you can dry an 8' x 8' area, saving you time and money. This drying agent is efficient, affordable, biodegradable - making it the top choice for groundskeepers and baseball field owners across the country. FE7099 - \$274.99

(O) Super Sopper

The Super Sopper picks up water and carries it away from any playing surface. 14" x 20" filter screen removes puddles from dirt infields. Works on grass, tennis courts, or artificial surfaces. FE7073-7 Gallon - \$675.00 FE7087-14 Gallon - \$795.00

(P) Cut N' Level Drag

Designed for grooming the surface of playing fields. Flat steel cutting blades and a screen for rock removal. The cutting blades are slotted and attached to the main frame with bolts, with adjustable blades for the desired depth of cut. Used in routine maintenance, rock removal, or smoothing and leveling the field as the need arises. Frame and blades are galvanized. Size 6' W x 4'6" L. Weight 220 lbs. FE7061 - \$631.99

(Q) Puddle Pillow

This handy groundskeeping tool will make quick work of removing small puddles! Simply place a few pillows in standing water, give them a few moments to take in the water or step on them a bit to speed up absorption. When saturated, remove from play area and squeeze out absorbed water. 10 pillows per case. FE7043 - \$89.99

Professional Streamliner Chalker

Heavy-duty steel frame and rugged molded plastic hopper withstands daily wear and tear. One-button retractable handle for easy on-site storage in storage boxes. Quick change between 2" & 4" lines. Semi-transparent hopper cover and variable flow control to better monitor chalk usage. Flexible brush agitator helps improve chalk flow for more consistent lines.

3-Wheel Chalker 50 lb.	FE7090	\$439.99
4-Wheel Chalker 70 lb.	FE7091	\$489.99

(A) Field-Striping Paint

12 cans per case. Available in Black, Gold, Gray, Green, Light Blue, Maroon, Navy, Orange, Purple, Red, Royal Blue, Vegas Gold, White, and Yellow. Water-resistant and extremely durable. Visible on grass for weeks. Will not flake or wash away.

Field-Striping Paint - White - \$59.99 • Colored - \$59.99

(B) Collegiate Dry Line Marker

All-steel unit with galvanized steel bucket. Adjustable from 2" to 4" lines. Guide stripe on lid for easier application. 4 heavy-duty wheels. Steel axle. ABS plastic agitator.

60 lb.	FE7007	\$179.99
35 lb.	FE7036	\$149.99
100 lb.	FE7037	\$219.99

(C) Professional Dry Line Marker

18-month warranty. 18-gauge steel hoppers and frame. Handle-mounted control levers for instant on/off. Precision control for 2" or 4" lines. Oversized foam-rubber hand grips. On 100 lb. and 50 lb. models, four pneumatic wheels handle easily over any terrain. 25 lb. and 10 lb. models have two wheels. Tough, powder-coated forest green finish.

10 lb.	FE7183	\$98.99
25 lb.	FE7184	\$169.99
50 lb.	FE7185	\$359.99
100 lb.	FE7186	\$369.99

TERMS AND CONDITIONS

For a full list of terms and conditions, visit www.ondecksports.com/Terms

Ordering

Orders can be placed on our website at www.ondecksports.com, or by calling 800.365.6171 (M-F 8:30a-5p est). Current prices apply at the time of shipment and are subject to change. Please refer to our website for the most up-to-date pricing.

Sales Tax

State law requires us to collect sales tax from all Massachusetts, Connecticut, New York, Pennsylvania, and Georgia customers, unless they are otherwise exempt. Proof of tax exempt status will be required at the time of ordering. Customers in other states may incur sales tax when applicable.

Shipping

All orders are shipped standard ground via Fed-ex or UPS when possible. In some cases, larger items will be required to ship via freight. Freight deliveries require a scheduled drop-off time, and the customer is responsible for unloading the truck and assessing the condition of the product upon delivery. All damage claims must be filed to On Deck Sports within 10 days of delivery.

Return Policy

Products may be returned for a refund within 90 days of receiving your purchase. All returns require a return authorization number which can be acquired by calling our customer support team at 1-800-365-6171. Refunds are issued using the original form of payment. Items must be returned in their original condition, including packaging. Items are subject to a re-stocking fee of up to 20% depending on their condition at the time of the return. On Deck Sports is not responsible for misuse, or improper customer installation. Custom orders are not eligible for returns unless the item is defective or there was an error. Shipping charges are not refundable and customers are responsible for return shipping costs. Please include the return authorization number on all return packaging to ensure that return is processed in a timely fashion.

Consumer Advisory and Warning

As with any physical activity, participation in athletics at any level comes with inherent risks of accidental injury. Under no circumstances should equipment used for these activities be altered, tampered with, or used when damaged. Such equipment should NEVER be used without direct adult supervision and only after examination for damage, wear, proper function, and proper maintenance. The equipment should never be employed for any activity other than that for which it was specifically aware of the risks involved in the activity they are participating in as well as their own physical limitations and that of the equipment being used.
